17) Now an important point has come up for decision is the delimitation of constituencies has to be notified by Govt How delimitation can be notified under Section 10(d) of the City Mlpl Act 1933 The notification is issued under

NOTE—Contn Sheet

Elections to the Legislature etc

File No | of 19 | General and Revenue Secretariat

Serial No

Section 10 (d) of the C H Act 1933, yet the actual election has to take place under the Amendment Act 1957 (Flag A) Vide Sections 4 & 5 amending Sections 9 & 10 of the previous Act because in respect of Reserved Constituencies, the voters have to vote only to Scheduled caste Candidates and they cannot also stand as Candidates. Thus, restricted right of the voter can be exercised only when Sections 4 and 5 of the Hyderabad Amendment Act 1957 are brought into force immediately by a notification If this is not done, then the whole election may be ultra vires Therefore, the following Course of action is suggested

1 Issue of a notification by Govt bringing into force the Sections 4 & 5 of the C H (this) Amendment Act 1957, as these are not brought into force so far — A

2 Then issue a notification delimiting the Constituencies with suitable changes in the Preamble portion of the notification

(8) The Law Secretary may kindly be consulted on the points noted

1467 19 JAN 1953

13/1

20) In para 17 of the notes the Assistant Secretary, Municipal Branch has stated that unless Sections 4 and 5 of the Mysore City Municipalities (Amendment) Act 1951 ~~is~~ are immediately brought into force in the Mysore City Municipality the whole election may become ultra vires if provision is made for reservation of constituencies for election of Scheduled Caste candidates as the voters have to vote only to Scheduled Caste candidates in such constituencies, and all voters they cannot also stand as candidates It is submitted that this view does not appear to be legally correct There is nothing fundamentally wrong in reserving constituencies for election of only Scheduled Caste candidates Clause (1) of Article 15 of the Constitution lays down that the State shall not discriminate against any citizen on grounds only of religion race, caste sex, place of birth or any of them Clause (3) of the same Article provides that nothing in that Article shall prevent the State from making any special provision for women and children Similarly clause (4) of the Article lays down that nothing in that Article shall prevent the

NOTE Contn Sheet

Serial No

State from making any special provision for the advancement of any socially and educationally backward classes of citizens or for the Scheduled Castes and the Scheduled Tribes It is therefore quite constitutional to make special provision for women and children and for the advancement of socially and educationally backward classes of citizens or for the Scheduled Castes and Scheduled Tribes, notwithstanding that such provision will result in discrimination against any citizen on grounds only of sex or caste The reservation of seats for Scheduled Castes candidates provided for in the Mysore Town Municipalities Act 1951 and other enactments governing the constitution of local authorities, is therefore quite valid and cannot be called in question on the ground that the voters in those constituencies are required to vote only for a Scheduled Caste candidate and cannot also stand for election in such constituencies In para 17 of the notes a distinction has been made between an order to be issued by the Government under Section 10 of the Act and a ~~constitutory~~ statutory provision contained in the enactment itself It is submitted that legally there seems to be no difference between a rule or order made under an enactment and the provisions of the enactment itself As observed by Justice Mahadevayya in 10 Mysore Law Journal page 225 in re Ramachandriah a rule issued by an executive authority in exercise of the powers conferred by statute must be deemed to be a part of the law as if it had been incorporated within the statute Hence there does not appear to be any legal force in the difference sought to be made in para 17 between an order under Section 10 (d) of the Mysore City Municipalities Act and the provisions of Sections 4 and 5 of the ~~Municipal~~ Amendment Act 1951

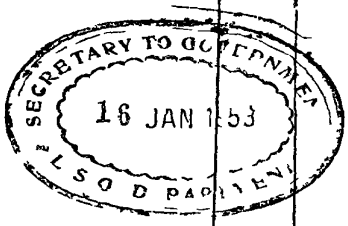
21) As regards the issue of an order under Section 10 providing for the reservation of seats for the Scheduled Castes, kind reference is invited to the opinion of the Law Secretary in para 55 of the notes of ~~the~~ Municipal File No 31-52 wherein the Law Secretary has stated thus -

"Section 10 of act VII of 1933 as it stands (before the amendment in Act XXXVI of 1951 comes into force) does not prohibit reservation of seats for Scheduled Castes - what the amendment does is to make this reservation obligatory I do not think the notification issued on 18-8-1952 can be ultra vires of Section 10 of Act VII of 1933'

Law Secy)
22) Mds 15/1/53 Nov 15/1

23) The statement as at A' above, correctly summarises the legal position In view of clause (4) of Article 15 of the Constitution, such special provisions intended for the advancement of social backward classes of citizens or the Scheduled Castes, cannot be properly attacked as being offensive to the provisions of the Constitution The doubt, on the part of some of the members referred to in para 2 of the letter of the Mr Counsel is therefore misconceived

Secy L S G)
MM 15/1
24) Nov 15/1



25) The above note of the Law Secty clearly endicates that the action taken so far by Govt is legally valid and Constitutionally correct The fear which a few Municipal Councillors of Mysore have expressed is thus without any foundation

NOTE—Contn Sheet

Sir,

Subject Delimitations of the constituencies for election of members to the Mysore City Municipal Council
===

In continuation of this office letter No C2 PR 2/523-53 dated 22-11-1952 on the above subject, I write to state that the proposals in respect of the delimitation of the city into 40 territorial divisions as finally placed by the Wards Committee, with a report, were considered by the Council at their meetings held on 5-1-1953 and 8-1-1953 The same were duly approved with slight modifications in respect of Ward Nos 33,35 and 36 as resolved by the Council that Division Nos 1,2, 30 and 36 be reserved as constituencies for election of members from schedule castes A copy of the resolution of the Council together with the report of the Wards Committee, copies of the city map in duplicate showing the 40 territorial divisions into which the city is divided, as also a statement showing the boundaries in respect of each of the wards and other particulars are enclosed herewith I request that orders of Government may kindly be obtained approving the divisions of the city into 40 wards, division numbers 1,2, 30 and 36 being reserved as constituencies for election of members from the scheduled castes

St was also further resolved

2 It has to be stated that during the course of discussions over the proposals of de-limitation, some members of the council felt a doubt whether the orders of Government reserving the seats for schedule caste were intra vires with reference to Article 15 of the Constitution of India Sri P Sitharamiah pointed out that Art 15 and 16 as amended by the Constitution (I Amendment) Act of 1951, empowers the State Governments to make any special provisions for

the advancement of any socially and educationally backward class of citizens or for the scheduled castes and the scheduled tribes he further pointed out that as per amended Article 15 validating certain laws which had been passed by State Government either under the old Constitution or passed subsequently, making special provision for scheduled castes or Tribes, are valid, if they should make any provision in the Constitution and powers of Municipal Corporation to safeguard the interests of the scheduled castes and scheduled tribes Detailed discussions in this behalf are being sent separately

It has also to be mentioned that according to the calendar of events drawn up and sent to you on 22-12-1952, the publication of the election rolls and calling for objections has to be made on Tuesday the 20th January 1953 By this time the election Roll should have to be got printed and kept ready for publication at the places to be assigned for each of the constituencies Action is therefore being taken to get the electoral rolls printed in anticipation of kind approval of Government to the proposals now forwarded to avoid delay I request that order of Government may therefore be obtained very urgently on the proposals now sent up to you

Yours faithfully,

(F A Abdul Rahim)
Municipal Commissioner

1062 Wards Committee Res No 1/23-12-1952 recommending approval to the proposal of the Delimitation of Wards as approved and recommended by the Committee and also recommending that Ward Nos 1,2 30 and 36 be reserved as scheduled caste areas for election of members to the Council from scheduled castes and further resolution dated 5-1-1953 ~~25-12-14 (appr~~ (obtained by circulation among the Wards Committee members) approving the incorporation of modifications in respect of ward Nos 6,10, 13 and 14

Sri P Sitharamiah moved the following resolution

"That in accordance with the Government Notification dated 18th August 1952 Mysore City be divided into 40 territorial divisions as recommended by the Wards Committee and that the delimitations of these Divisions be approved with the following modifications* and recommended to Government for taking further action as contemplated under

Sec 19(c) and (d) of the Mysore City Municipalities Act, 1933

* Ward No 33 be bounded on the east by road to the west of Tile Factory on the west by Asoka road on the south by Dawoodkhan's road in continuation of Mahadevapuram road and on the north by Jalapuri main road

Ward No 35 be bounded on the east by Ramamandir road in Jalapuri on the west by Asoka road joining Shivaji road, on the south by Jalapuri main road and on the north by Labour Block road joining Forbes Transformer Station

Ward No 36 be bounded on the east by Municipal boundary on the west by Ramamandir road and Tile Factory on the south by Mahadevapur road and on the north by Municipal boundary

and that Divisions Nos 1, 2 30 and 36 be reserved for Scheduled castes

This was seconded by Rev Fr Audieu

Sri B P Ramakrishnaiya moved an amendment to the above as follows -

That Ward No 6 be bounded on the east by Madhvachar road and Chamundeswari road, on the north by Kantaraja urs road, on the west by Municipal boundary and on the south by municipal boundary and Malalavadi

That Ward No 13 be bounded on the east by Railway line, on the west by municipal boundary including Thonachi Koppal on the north by Railway Level Crossing road running east-west, and on the south by Kantaraja Urs road

That Ward No 14 be bounded on the east by Narayanasastry road and Viceroy road on the north by Yelwal road on the west by Municipal boundary and on the south by Railway Level Crossing road and running east-west

This was seconded by Sri A Venkateshiah

The above amendment was then put to vote, and lost by 6 voting for and 12 against At this stage Sri A Venkateshiah along with other six members walked out of the Hall

Then the resolution moved by Sri P Sitharamiah and seconded by Rev Fr Audieu was put to vote and unanimously passed

Sri K Puttaswamy moved that appreciation of the Council for the work done by the members of the Wards Committee and also the co-operation extended by the executive officers and staff be placed on record The same was seconded by Sri B L Ramaswamy Setty and unanimously passed

City Municipality,
Mysore, Dated 4th January 1953

Report of the Committee constituted by the Municipal Council to go into the question of dividing the City into wards for election of members to the Municipal Council consequent on the adoption of Single Member Constituency based on adult franchise

---

The Secretary to Government, L S G Department, invited attention of this office in his letter dated 25-1-1952 to the Mysore City Municipalities Amendment Act XXXVI of 1951, according to which there have to be Single Member Constituencies in the Municipal Council based on Adult Franchise with reservation of seats for the members of the scheduled castes and there being no nomination of members to the Council He requested for a report as to (1) the number of Divisions to which the City will have to be divided (2) details as to the boundaries of each constituency and (3) the Division or Divisions to be reserved for the members of the Schedule Castes. He also desired the opinion of the Municipal Council to be sent up in this connection

The Council before whom the above letter came up for their consideration at their meeting held on 13th February 1952, formed a sub-committee consisting of the President, the Vice-President, Sjts S Linganna, B K Ramakrishnaiya, P Sitharamiah, Syed Abdur Rahman Saheb and M C Mahadevaswamy to report about the action to be taken with regard to the above and submit their recommendations Accordingly, a meeting of the Wards

Committee was first called on 12th March 1952 The Committee after considering the comparative figures of the population of the city and the strength of the scheduled castes during the (Census) years 1941 and 1951 and other factors recommended to the Council that the number of Councillors be fixed at a minimum of 35 They also stated that it would be possible to take up the question of fixing up the territorial divisions after this number is fixed and approved by Government The Council before whom the above recommendations of the Committee came up at their meeting held on 2-4-1952 resolved that taking into consideration the present population of the city the minimum number of seats for the Mysore City Municipality be fixed at 40

A reference having been made to Government in this behalf, the Government wanted information as to the population of scheduled castes (as defined in the Constitution of India) in Mysore City according to the Census of 1951 and the number of seats proposed to be reserved for them in the Municipal Council under the amended provision Even before the receipt of the above letter of the Government, the Wards Committee busied itself in formulating proposals as to the population to be determined for each of the wards as also regarding the number of seats to be reserved for the scheduled castes people This had to be done by determining the strength of the schedule caste population on the principle followed in the Representation of the Peoples Act At their meeting

held on 8-5-1952 the Wards Committee resolved as follows - (v de abbreviated)

1 The above recommendations of the Wards Committee were approved by the Council in their resolution No 260 and 261 dated 5-6-1952 A reference was made to Government in pursuance of the above resolutions that the present Municipal area be divided into 40 wards consisting of population of 6100 to 6200 for each ward It was also intimated that the population of the schedule caste be fixed at 24000 for the year 1951 from 14000 of 1941 Census following the principle adopted in the Representation of the People Act, calculating the population of the scheduled cast at the rate of increase of the total population in 1951 from that at the previous Census of 1941 The number of seats to be reserved for the schedule caste under Sec 10 of the Mysore City Municipalities Amended Act of 1951 was intimated to Government to be 4 Sanction of Government was received to the above proposal of the Council by issue of a notification under No L 7403/CM 32-52-2 dated 18th August 1952 It was directed therein that the Mysore City Municipal Council to be reconstituted from the 3rd January 1953 shall consist of 40 councillors all of whom shall be elected, that the number of Councillors to be elected from General Constituencies be fixed at 36 and that the number of persons elected from constituencies reserved for scheduled castes be 4 The above notification having been issued under Sec 9 and 10 of the present Act No VII of 1933, a doubt was felt by the Council while recording the above notification as to whether

the provisions of Sec 9 and 10 empowered the Government to reserve the seats for schedule caste, and the de-limitation indicated in the Government Order did not appear ultra-vires of powers of Government ~~Order~~ under the said provision A reference to this effect was made to Government on 11-9-1952

In the meanwhile, proposals for delimitation of constituencies based on the principles enunciated in Council Res No 261 and 262 dated 5-6-1952 were placed before the Wards Committee The Committee met on the 11th September 1952 and took up inspection of the several areas They first inspected the Nazarbad Mohalla Parts of Mandi Mohalla and Lashkar Mohallas were thus inspected on three days The inspection of some of the places near the Silk Factory, Railway Level Crossing, Jayanagar, Vontikoppal village and V V puram extensions was spread over two days The inspetion of the several areas were conducted on 5 different dates

The Committee met again on 24th Sept 1952 and ~~pursued~~ Perused the progress of work done in the matter of fixing the boundaries of the constituencies They felt a further doubt that the Government Notification dated 18th August 1952 did not make it specific whether the election of persons from constituencies reserved for scheduled castes be confined to such areas only where there is a majority of the schedule caste population or otherwise For, it was found not practicable to form Divisions which could consist of schedule caste people alone It was also found that there was a possibility of such of the members as have to vote for persons to be elected from General

Constituencies being refused an opportunity to do so and instead being forced to vote for persons to be returned for schedule caste constituencies In this view whether the whole city has to be divided into 36 wards only for returning members to the General Constituencies and again to 4 Divisions to return one member from each of the 4 Divisions for the 4 seats reserved for scheduled castes, the electorate being the schedule caste population of each division was a point to be got clarified A reference was made to Government in this behalf on 2-10-1952 In the meanwhile on 1-10-1952 the Government observed in reply to this office letter dated 11-9-52, that their notification dated 18th August 1952, was not ultra-vires of Sec 10 of the City Municipalities Act of 1933 with regard to the Reservation of seats for scheduled caste

The Committee met on 18th October 1952 and found that the clarifications sought for on 2-10-1952 was not yet received from Government They felt that if the elections were to be held before 3-1-1953, it was not possible to finalise the voters' list as the last date for publication of the preliminary voters list was at best 2-11-1952 and within the short term before them, it was not possible to have it done

A report was made to Government in this behalf on 21-10-1952 Meanwhile, the clarifications sought for on 2-10-1952 was received from Government on 20-10-1952 to the effect that as the strength of the Council has been fixed at 40 the entire city has to be divided into 40 divisions alone and that any 4 of the divisions where there is a comparative predominance of the schedule caste population may be reserved for

scheduled castes, the rest being treated as General seats open to all communities It was also desired that in the non-reserved divisions any member may stand as candidate and that all the voters are at liberty to elect a candidate, while in reserved divisions only schedule caste people should stand as candidates and the voters in those divisions elect should vote and/ elect scheduled caste candidate

A phone call was received on 24-10-1952 from the Government to the effect that the President, Vice-President and also the Commissioner should meet the Minister on 25th October 1952 The above officers waited on the Minister for Local Self-Government on that day at Bangalore and acquainted the Government with the progress of work done in this behalf and also the position with regard to the conduct of elections Sri P Sitharamiah, and Sri K Puttaswamy who were present at Bangalore in connection with the L C and L A Sessions also took part in the discussions In pursuance of the discussions on that day a report to Government was made ~~aware~~ of the situation and his report

As a result of the discussions, the Government issued a notification under No L 13081/CM 3/52-53 dated 20-11-1952 extending the term of the Municipal Council up to and inclusive of 31st March 1953 to enable the Council to function in conformity with the provisions of the Mysore City Municipalities Amendment Act of 1951

(1) elections Councillors to the Municipal Council to local rate regulation of the division of the Council in accordance with

In the meanwhile, proposals ~~xxxxxxxx~~ had been finalized and slight alterations having been suggested here and there, by the members of the Wards Committee, the same was worked out and a final map was proposed and placed before the Wards Committee on 24th

November 1952 After perusal of the map, the Committee made a few more general observations and desired if the suggestions could possibly be incorporated The map finally prepared ~~with the necessary~~ having in view the suggestions as to boundaries, population in each ward etc, was placed before the Wards Committee ~~adjourned to~~ at their meeting held on 16.12.52 After Consideration of (X) 22-12-1952, at 8-30 a m ~~on~~ and again To 23-12-1952 at 4 p m and ~~after a detailed examination of the proposals they~~ made ~~the~~ re-commendations to council that the draft proposals of the de-limitation of 40 wards placed by the office as per plan finalized ~~on 31-12-1952~~ and signed by the President and other members of the committee be approved and sent up to Council for their action Janab Syed Abdur Rahman was of opinion that de-limitation of wards Nos 25,22,24,31,29 and 30 required some ~~re-examination~~ alterations Similarly, Sri B K Ramakrishnaiya opined that the de-limitation of ward Nos 6,13 and 14 required re-examination The Committee further resolved to recommend to the Council that Wards No ~~12~~ 1,2,30 and 36 shall be the constituencies reserved for schedule caste Sri Syed Abdur Rahman opined that ward No 30 be reserved for scheduled caste population after some alterations

(X) The same the committee adjourned for making final recommendations to

It will thus be seen that the Wards Committee met 9 times as detailed ~~below~~ above and have finalized the proposals taking into consideration the interest of all classes of the rate-payers and the geographical divisions contiguity of the wards One special feature of the proposal now placed before the Council is that the boundaries of the several wards now proposed are mostly the main roads easy of identification and pains have been taken by the committee to avoid as far as possible, circuitous way of de-limitations of the constituencies

& geographical

To be read after Min No 3

1 Delimitation of wards -

Resolved that as a preliminary measure action be taken to put up proposals for delimiting the present Municipal area into forty wards consisting of a population of 6100 to 6200 for each ward.

Resolved that for the purposes of calculating the number of seats to be reserved for the scheduled castes people in the city, the principle followed under the Representation of the People Act be followed and the strength of the population of the scheduled castes be calculated at the rate of increase of the total population at the last census to 244 thousands from 150 thousands in 1941 according to which the increased population of scheduled caste people comes to 24,000 from 14,000-

Resolved that necessary maps and block plans required for the purpose of delimitation work be purchased from the Trust Board pending settlement of the question of obtaining the supply free or otherwise
